

CoreGuard Plus™

Wood Treatment

Sierra Pacific wood windows and doors are protected by CoreGuard Plus™ wood treatment, a patented process that, when needed, penetrates wood right to the core to repel water, so our windows and patio doors are less likely to warp or swell and have superior dimensional stability.

In addition, CoreGuard Plus™ contains fungicides and insecticides to deeply protect all wood species from pests and rotting. Amazingly, this strong protection comes from naturally organic, water-based treatment with nearly zero VOC's, which helps us maintain our strict environmental stewardship.

To ensure CoreGuard Plus™ effectiveness, sections of our windows undergo testing in a Hawaiian rainforest that mimics decades of typical residential exposure. No wonder we have the confidence to offer one of the strongest wood rot warranties in the industry.

The Treatment

Once wood components are cut and moulded, they are coated with the CoreGuard Plus™ treatment, which meets and exceeds WDMA's Hallmark Certification Program and the *WDMA I.S.4 - Standard for Water-Repellent Preservative Treatment of Millwork*.

What gets treated?

As a standard, CoreGuard Plus™ treatment is applied to any wood component that is in direct contact to the exterior elements, extruded aluminum clad material, and glass.

In an environment where you could benefit from added protection from insects or decay? Choose **CoreGuard Plus™ Complete** to have all wood components on your units coated with our patented wood treatment. Not just those components treated as a standard.

Not Just Pine

Sierra Pacific applies its patented CoreGuard Plus™ wood treatment to all species of wood, not just pine. And that's a standard practice, no need to specify.

Warranty Summary

Sierra Pacific Windows warrants that the wood components, regardless of wood type, shall be free from material wood deterioration caused by decay or insect, including wood rot.

Warranty period is from the original date of manufacture for the following applications:

- Residential – 20 years
- Commercial – 10 years

You may find complete warranty information on our website <https://sierrapacificwindows.com/Warranties>.
